

MT. HOOD GLASS LIMITED WARRANTY

Automobile glass is warranted against defects in material for 30 days and workmanship for as long as you own the vehicle in which the glass is installed. Gasket set windows are only guaranteed against leaks if a new gasket is replaced with the windshield.

Motor home windshields are warranted against defects in material for 30 days and workmanship for 1 year from the date of installation as shown on the invoice.

If you have a problem that is covered by this warranty, contact Mt. Hood Glass at (503) 667-0290. Mt Hood Glass will repair or replace the warranted product. If, for some reason, Mt. Hood Glass is unable to make the repair or replacement, we will refund the original price of your warranted product.

To exercise your rights under this warranty, take your vehicle to Mt. Hood Glass along with copy of invoice. The defective installation will be corrected without charge.

EXCLUSIONS:

-Vehicles with ADAS (Advanced Driver-Assistance Systems) may require calibration after a windshield installation. The ADAS may not function properly until it has been recalibrated. Do not rely on the operation of the system until it has been properly recalibrated. It is the owner(s) responsibility to have the vehicle recalibrated as soon as possible, after windshield installation.

-IN NO EVENT SHALL MT. HOOD GLASS BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES. Damages not involving workmanship or materials are expressly excluded from coverage under this warranty.

-Rust or holes in pinch weld, body or frame damage may cause a bonding failure and windows to not adhere correctly. IN NO EVENT SHALL MT. HOOD GLASS WARRANTY ANY INSTALL INVOLVING RUST OR DAMAGE TO PINCH WELD, BODY OR FRAME.
